# Electronic Bids

## SPECIAL NOTICE TO CONTRACTORS

Beginning with projects advertised on June 21, 2013 for the July 19, 2013 Letting, the Georgia Department of Transportation will no longer accept hand delivery of the electronic bid using the GDOT/AASHTO (American Association of State Highway and Transportation officials) Electronic Bidding System (Expedite) by means of a 3 <sup>1/2</sup> inch (90 mm) electronic diskette, CD Rom, or USB Drive with the required bid pages.

All Bidders are required to secure an account and a valid Digital Signature from Bid Express™ @ [www.bidx.com](http://www.bidx.com) in order to use this method.

## Internet Bidding service

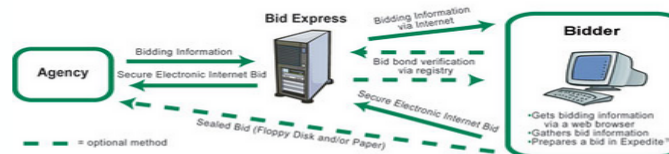

The convenience and security you are looking for is here - Internet Bidding from the Bid Express service

When your bid is prepared using the Expedite Bid software (a free download), you can use the Bid Express Internet Bidding service to submit it over the internet. This convenient service means that you no longer need to travel to submit bids - no more time away from the office, miles of travel or expensive hotel stays just to deliver bids. Stay home and let the internet safely and securely deliver the bid for you.

When you use Internet Bidding Service, your bid is encrypted, signed by your unique Digital ID, and held in a lockbox until the bid opening by the agency. Your **Digital ID**, available through the Bid Express service, is considered your legal signature and your unique identifier. You can withdraw or replace your bid up until the last minute - making it easy to accommodate last minute price changes.

The Bid Express Internet Bidding service also has additional error checking features to help you submit complete and accurate bids. Redundant power sources, file back-ups and duplicate hardware set-ups help to ensure that your bid is secure. The Bid Express service uses the latest digital signature and encryption technology. The system is built, maintained, and constantly monitored to ensure the reliability you would expect for this critical service.

The service also conducts online verification of bid bonds through **surety agencies**. With this feature, you no longer have to worry about getting a paper bid bond. Instead, you can obtain a bid bond verification code from your surety agency. When preparing your bid in the Expedite software, simply enter the code with your bid submission and you're done. The code is embedded in the bid and backed by a participating **surety bond processing agency**. This feature means less paper and less hassle in meeting the bid bond requirement.

# Bidding Proposal

- ❑ Proposals are located on the Bid Express web page for Electronic download into Expedite Software.

The screenshot shows the Bid Express website interface. At the top, there's a navigation bar with links like GADOT, Lettings, Search, Bid Tab Analysis, and Small Business Network. Below this, a header section displays the user's name 'mfournoy@dot.ga.gov!' and the date 'September 06, 2013 12:28 AM EDT'. The main content area is titled 'Georgia Department of Transportation' and 'List of Lettings > September 20, 2013 > B14602-13-000-1'. A sidebar on the right contains a 'Downloads' section with a list of files, including '20Sep001.EBS ELib File Proposal', which is circled in red. The main content area also features a table of items for the proposal B14602-13-000-1, detailing line items, quantities, units, and descriptions.

**Proposal B14602-13-000-1**

## Expedite Export Control

User's Hostname:  
User's IP Address: 143.100.37.25

**Important information. Please read:**  
Tms-port Expedite Bid contains underlying program code that incorporates strong encryption technology and therefore is subject to export restrictions. Its distribution may be regulated by 15 CFR Parts 730-774, published by the U.S. Department of Commerce, Bureau of Export Administration, as the Export Administration Regulations (EAR), and probably other laws and regulations. If you do not meet the requirements set forth on this page, you may not be eligible to download Tms-port Expedite Bid software.

**Please read the following agreement:**  
I understand that except for export to Canada for use in Canada by Canadian citizens or lawful permanent residents Tms-port Expedite Bid and any underlying technology may not be exported outside the United States or to any foreign entity or "foreign person" as defined by U.S. government regulations, including without limitation, anyone who is not a citizen, national, or lawful permanent resident of the United States. By downloading or using Tms-port Expedite Bid software, I am agreeing to comply with all U.S. laws and regulations governing export of this software, and I am warranting that I am not a "foreign person," nor under the control of a "foreign person."

**Please fill out the form below:**

# UCP Directory (DBE/WBE)

The screenshot shows the Georgia Department of Transportation (GDOT) website. The browser address bar displays <http://www.dot.ga.gov/doingbusiness/contractors/Pages/default.aspx>. The website header includes navigation links: Traveling in Georgia, Local Government, Doing Business, Projects, and Information Center. A banner at the top promotes the "TOWARD ZERO DEATHS" campaign with a video series on distracted driving.

The main content area is titled "Contractors" and includes a description: "Contractors qualified to do business with the Department can access bidding, letting, GDOT directories and resource information." Below this, there is an "Announcements" section with a link to "Check out the July Award Announcement" and a link to the "GDOT Contractor Payroll Questionnaire".

The "Project Letting Forecast" section states: "The public can now view Georgia DOT's six month Project Letting Forecast".

The "Directories" section lists several links: Contractor Directories, Construction Bidding Administration Contacts, Prequalified Contractors, Registered Subcontractors, and the "UCP Directory: Searchable" link, which is circled in red. There are also links for "Excel" and "PDF" versions of the UCP Directory.

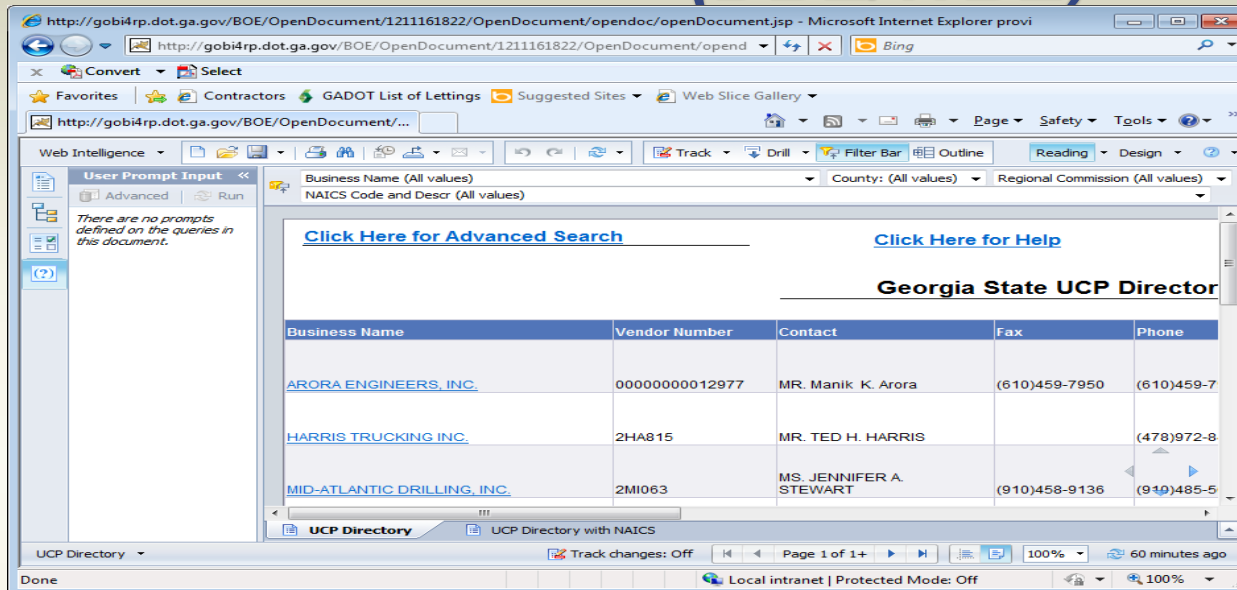

A "Quick Links" sidebar on the right contains links to: Asphalt Cement Index, Contact Directory, Event Calendar, Georgia Stimulus Package, GeoTRAQS Online Mapping, Historical Plans Research, Non Disclosure Agreement Form, and Offices/Divisions.

The left sidebar contains a "Doing Business" menu with links to Consultants, Contractors, Alternate Pavement Bidding, Contact Us, Forms, DBE Programs, Design-Build, EEO, Employment, E-Verify, Materials, P3, Permits, Policies & Manuals, Prequalification, Research, Small Business Program, TheSource, and Training / Resources.

At the bottom right, there are banners for "TRANS Project Information" and "Transportation Investment Act TIA".
